## Frontend or MERN Stack Developer

📞 9763493276 @ shrishthapaa@gmail.com 🌐 [github.com/SusilThapa1](https://github.com/SusilThapa1) 📍 Bhaktapur, Nepal

## SUMMARY

I am a motivated self-learner with a strong background in React.js, Tailwind CSS and full-stack development using the MERN stack. I have worked on personal projects, including a portfolio website and a notes management system that has authentication, user roles, and Google Drive link sharing. Not only that, but I enjoy creating clean user interfaces, learning quickly, and solving real-world problems. I am Looking for a Frontend Developer Internship where I can improve my skills and contribute to meaningful projects.
