I am an enthusiastic and driven front-end developer with hands-on experience in creating dynamic and responsive web applications through projects. I have gained proficiency in modern web technologies such as React, Next.js, Tailwind CSS, and JavaScript, and have developed a strong understanding of building user-friendly interfaces. I am eager to further enhance my skills and knowledge in a real-world setting by securing an internship opportunity. My goal is to contribute to innovative and impactful projects, while also learning from experienced professionals in the industry.
